About Us Home Owners

Owners of real property and manufactured homes are required by **Section 7-38-8 NMSA 1978** to declare no later than the last day of February of each year certain changes in value of their property occurring within the prior calendar year. Property is valued as of January 1 of each year.

By around April 1 of each year, County Assessors mail Notices of Valuation as required by **Section 7-38-20 NMSA 1978**. The notice informs homeowners of the full value and net taxable value of their property for that year. The net taxable value on the notice is the basis of a tax bill mailed from the county treasurer's office later in the year.

Exemptions are available for qualifying homeowners. If a homeowner disagrees with a property valuation, remedies are available. Click the Property Tax for Homeowners button on the left-hand side of this page for information about exemptions and disagreement resolution.

You can access contact information for the [county officials](#) for your location.

Message from the Secretary
"Welcome to the New Mexico Taxation and Revenue Departments website. We ask for your patience and understanding as we continue to improve this site in the coming weeks and months to better serve you."

Who benefits when taxes are collected?

Make sure you use correct tax ID numbers.
